IMPORTANT NOTICE TO ALL VENDORS: This Purchase Order is subject to all the terms of Buyer's sourcing agreement with Seller, or if none, then Buyer's Purchase Terms, which are incorporated in full into this Purchase Order. By accepting this Purchase Order Seller agrees to be bound by the terms of this Purchase Order and Buyer's sourcing agreement with Seller, or if none, then Buyer's Purchase Terms. Contact Buyer immediately if you do not have a copy of Buyer's Purchase Terms. If this Purchase Order is a written confirmation of a verbal order, Seller agrees that the terms of this Purchase Order control. Different or additional terms proposed by Seller are expressly rejected and shall not become a part of the agreement between Buyer and Seller.

Certificate of analysis must be provided before delivery of material. The Seller must notify the Buyer of nonconforming product and request approval for non-conforming product disposition. The Seller must notify the Buyer of significant changes in their product and/or process, suppliers, or manufacturing location and, where required, obtain Buyer approval.
